NEW DRIVE-UP BOOK RETURN PLACED IN PARKING LOT

- On Monday, April 10, a drive-up book return was installed on the north end of the parking lot behind the library building in order to provide students with an easier way to return books and videos to the library.

The drive-up book drop is emptied twice daily, so that items are checked in (and any late charges assessed) as of the date deposited in the drive up book drop.

This new unit was originally requested by students and was purchased using your Student Infrastructure Fee funds. We appreciate your continued interest in and support of improving library resources and services, and we hope all students will enjoy the added convenience of this book return.

WHAT’S NEW IN REFERENCE?

The titles listed here are just some of the new books recently added to the Reference collection in the Dean B. Ellis Library. To see these and other new books in Reference, stop by the Information Desk on the main floor of the library.

**EXTENDED LIBRARY HOURS ARE COMING**

- The library will have extended hours for the last two weeks of the spring semester so that students may have more time to use the resources and facilities of the library. We will remain open until 2:00am Sunday through Thursday and will be open two hours longer than usual on Friday and Saturday.

    The Information Desk will be open two additional hours each evening beginning Monday, April 17. The expanded Information desk hours will continue through Study Day on Tuesday, April 25th.
