NEW DATABASE – EDUCATION RESEARCH COMPLETE

- We are pleased to announce the addition of EBSCO's Education Research Complete to the array of online content available to ASU.

*Education Research Complete* is one of the premier online resources for education research. Topics covered include all levels of education from early childhood to higher education, and all educational specialties, such as multilingual education, health education, and testing. *Education Research Complete* provides indexing and abstracts for more than 1,500 journals, as well as full text for more than 750 journals, many of which were not previously available at ASU, and includes full text for more than 100 books and monographs, and for numerous education-related conference papers.

Seamless linking is also provided to all of the other full-text content provided by other EBSCO databases subscribed to by the Library, including Academic Search Premier, Business Source Elite, and Communication & Mass Media Complete.

All Library databases, including Education Research Complete, may be accessed from the Library's Databases page. For additional information about or assistance with any of the Library's databases, please contact the Reference Desk at (870) 972-3208.

WINTER HOLIDAYS AROUND THE WORLD EXHIBIT ON THIRD FLOOR OF LIBRARY

- You are invited to visit the new winter holidays exhibit in the Dean B. Ellis Library. Display cases include information and exhibit items related to the major holidays celebrated in the United States (Christmas, New Year’s, Hanukkah, and Kwanzaa). Three 6 ½ foot banners feature all 49 home countries for ASU’s International Students and their major winter holidays while another banner features other American holidays not represented in the display cases.
The Winter Holidays Around the World exhibit will be in place until early January and may be viewed during Library operating hours.

The exhibit and programs area is located on the third floor of the Dean B. Ellis Library. Take the stairs or elevator across from the Circulation Desk to the third floor and exit directly to the exhibit and programs area. For information on how to host your own exhibit or program in the space, please contact April Sheppard at asheppard@astate.edu.

DID YOU KNOW: You can use the Set Search Limits button in the lower right corner of the online catalog to restrict your search to materials published in a specific language or to limit your search to a specific year of publication or range of years? Other search limits available include place of publication, item type, and location within the Library. And don’t forget to click the Clear Search Limits button that appears when limits are set in order to clear your search limits and return to normal searching.
