Seamless linking is also provided to all of the other full-text content provided by other EBSCO databases subscribed to by the Library, including *Academic Search Premier*, *Business Source Elite*, and *Communication & Mass Media Complete*.

All Library databases, including *Education Research Complete*, may be accessed from the Library’s [Databases](#) page. For additional information about or assistance with any of the Library’s databases, please contact the Reference Desk at (870) 972-3208.

The Winter Holidays Around the World exhibit will be in place until early January and may be viewed during Library operating hours.

The exhibit and programs area is located on the third floor of the Dean B. Ellis Library. Take the stairs or elevator across from the Circulation Desk to the third floor and exit directly to the exhibit and programs area. For information on how to host your own exhibit or program in the space, please contact April Sheppard at asheppard@astate.edu.
